

New in our range: The VÖLKE Sanitary Set

With the new **VÖLKE Sanitary Set**, we offer you the ideal solution for the production of cylindrical pipe threads. Whether for domestic installations, fitting construction or industrial applications - this set is perfectly tailored to your requirements. With the included taps and hexagon die nuts, you can also easily recut and repair damaged threads.

What does the VÖLKEL Sanitary Set provide?

- Dimensions: G 1/4" - G 3/8" - G 1/2" - G 3/4"
- Taps and hexagon die nuts for precise and reliable threads
- Perfectly suited for pipe threads without pressure-tight joints
- Including our high-quality V4S cutting paste for excellent cutting results
- In a sturdy and high-quality metal case

Two options for maximum flexibility:

Classic: With short machine taps, hexagon die nuts and a tube of V4S cutting gel. [More information.](#)

Innovative: With the double-sided HexTap DS for even more flexible application, hexagon die nuts and V4S cutting gel. [More information.](#)

Contact us today to find out more about our new **Sanitary Set** or other products in our range. Our dedicated team will be happy to answer your questions and help you find the right solution for your thread.
